Universal Air Tool Company Limited - Pricing action effective 1st April 2019

I am writing to advise you of the planned pricing action for all categories of Universal Air Tool products, effective 1st April 2019.

There will be an increase of a maximum of 6% on the list prices but not on all products.

We are planning to review all part numbers separately and increase only where required.

An electronic copy of the new price list will be emailed to you in April 2019 and a hard copy will be available from your Area Sales Manager in May 2019.

May I take this opportunity to thank you for choosing Universal Air Tools.

Yours faithfully

Arthur Paterson
Operations Director
